

Tomatoes on the Vine

Picked at peak ripeness, these tomatoes are full of vibrant flavor and color. Sweet with mild acidity, still on the vine and available year round. Great tasting slicing tomato used for burgers, sandwiches and salads.

Item Code **TOMAT**
Case Size **1 x 11 lbs.**
Shelf Life **10 - 14 days**

Sustainably and locally grown using a hydroponic process, which means less water used and no runoff of fertilizers into surrounding areas. Mighty Vine utilizes integrated pest management and bumble bees to pollinate the plants, creating a natural ecosystem. Chefs around the Midwest cannot get enough of these tomatoes, because of their delicious flavor and consistent quality.

Roasted Tomatoes with Garlic and Basil

Preheat oven to 450° and cut tomatoes into halves or quarters. Arrange tomatoes on a pan, drizzle with olive oil and balsamic vinegar. Sprig with garlic, basil, thyme and pepper. Roast for 30 - 45 minutes, until tomatoes start to caramelize. Serve warm or at room temperature!
