

Wood Charcoal Bars (CHAR001) 22 lb. case

Prime 6 is the next generation of charcoal, eco-conscious and sustainable. Made of re-purposed sawdust waste with the highest awareness to people and planet. Prime 6 is unique in shape, form and performance. It is purposely designed to elevate the grilling experience for a smooth service, ease of use and convenience. No cleanup time, more value for money spent and no replenishing during service.

Italian Chopped Tomatoes in Puree (TOM001) 6 x 3 kg.

One of the most versatile and time saving products, ripe San Marzano tomatoes are coarsely chopped and packed in their own puree. A perfect time saving ingredient when preparing eggplant parmesan, salsa, or tossed with your favorite pasta.

Italian Whole Peeled Tomatoes in Puree (TOM002) 6 x 3 kg.

Imported from Italy, full bodied, silky, red San Marzano tomatoes are steam peeled and packed in their own succulent puree. No added salt, sugar or preservatives for one of the cleanest ingredient statements on shelf. Ideal for pizza or pasta sauces, soups and stews.

Italian Crushed Tomatoes in Heavy Puree (TOM003) 6 x 3 kg.

Our crushed tomatoes feature a smaller, finer particulate than chopped tomatoes, with a thicker puree. Blend 1/2 and 1/2 with our whole peeled tomatoes for that perfect pizza sauce.

Grand Cru King Cut (US062) 7 lb. block

Inspired by the cheesemaking traditions from the Roth family's homeland, this Alpine style classic is crafted in imported copper vats and cured over four months. The freshest Wisconsin cow's milk creates a smooth and mellow cheese with light floral notes. Melts beautifully, perfect for cooking.
